## THE FACTOR

War Front - Greyciousness, by Miswaki  
2008 Gray/roan | 16 Hands

A multiple grade one winner The Factor is one of the most electrifying sprinter/milers of recent times, and is a son of the remarkable young Danzig stallion, War Front. Represented by a sensational first yearling crop, he has his first runners in 2016.

War Front has enjoyed considerable success when bred over mares from the **Mr. Prospector** line. War Front himself is out of a mare by **Fappiano** son, Rubiano, but has sired millionaire Warning Flag and group winner War Dispatch from mares by **Fappiano** grandson **Unbridled's Song** (by **Unbridled**). This suggests other **Fappiano** line horses such as **Broken Vow**, **Empire Maker**, **Birdstone**, **Grindstone**, **Songandaprayer**, **Quiet American** and **Cryptoclearance** (grandsire of **Candy Ride**). War Front also has 2015 grade one winner Jack Milton out of a mare by **Forty Niner**, and a grade two winner out of a mare by that horse's son, **Coronado's Quest**; grade one winner Peace and War from a daughter of **Smart Strike**; and stakes winners of daughters by **Kingmambo** and **Pulling Punches** (by **Two Punch**). The Factor should like **Mr. Prospector** through **Woodman** – broodmare sire of War Front stakes winner – and **Seeking the Gold** (both bred on the same cross as The Factor's broodmare sire, Miswaki). Other branches of **Mr. Prospector** worthy of consideration include **Gone West** (and sons such as **Speightstown**, **Mr. Greeley**, **Grand Slam** and **Elusive Quality**), and **Gulch** and his son **Thunder Gulch**. Mr. Prospector is a member of the **Raise a Native** line, and War Front has 2015 European Champion Two- Year-Old Air Force Blue out of a mare by **Maria's Mon**, from the **Majestic Light** branch of **Raise a Native**.

Although The Factor is a product of the **Northern Dancer/Mr. Prospector** cross, those strains will not appear until the fourth generation of his offspring. Danzig line stallions have excelled with mares descending from **Sadler's Wells**, including two stakes winners by War Front out of a mare by **Sadler's Wells**, and a graded stakes winner from a daughter of **El Prado** (sire of **Medaglia d'Oro**, **Kitten's Joy** and **Artie Schiller**). War Front is also sire of stakes winners out of mares by **Theatrical** (by **Nureyev**); **Hennessy** (by **Storm Cat**); and out of mares descending from **Nijinsky II** via **Strawberry Road**, **Alydeed** (by **Shadeed**) and **Caerleon**, suggesting daughters of **Royal Academy**. **Northern Dancer** is three-quarters related to **Icecapade**, and War Front is sire of a grade one winner out of a mare by **Mazel Trick** (by **Phone Trick**) and a graded stakes winner out of a mare by that horse's sire, **Clever Trick**.

Out **A.P. Indy** line mares, War Front already has five stakes winners, including millionaire Departing, from daughters of **Pulpit** (sire of **Tapit** and **Sky Mesa**), and a stakes winner out of a mare by **Old Trieste**, suggesting other sources of **A.P. Indy**, such as **Malibu Moon**, **Mineshaft**, **Congrats**, **Flatter** and **Bernardini**. From **Roberto** line mares come grade one winners War Command and Line of Battle, out of daughters of **Red Ransom**, and **Arch** (by **Kris S.**), and a stakes winner out of a mare by **Repriced**, also suggesting **Dynaformer**, **Lear Fan** and **Silver Hawk**. War Front's multiple grade one winner Declaration of War is one of two graded winners out of mares by **Rahy**, from the **Blushing Groom** line, and from the same sire line he also has a grade two winner from a daughter of **Housebuster** (by **Mt. Livermore**). From the **In Reality** line, War Front has grade one scorer Data Link from a daughter of **Known Fact**.
